

Club Day at The Oamaru Opera House

On Saturday March the 6th The Oamaru Opera House is planning to have “Club Day”, this is a return of the popular event in 2009 called “Community Group Showcase Day”. The OoH encourages as many of our wonderful Community Groups as possible to set up demonstrations / workshops / displays / stalls etc. to show the community what is available and to entice new membership.

If you are interested please return your entry form to The OoH by February the 28th to confirm your place.

There will be no cost to any group for the day.

This event was very popular in 2009 and is limited so please register early to avoid disappointment.
