### **Corporate Rate**

Commercial companies that are profit driven and their hire is directly linked to commercial gain and or business development. eg product launches, touring commercial productions, conference entertainment, and all performing arts events charging \$50plus per seat (average and excludes charity).

8hrs per day technical staff FOH staff including fire warden provided for performance.

Base Fee or 10% off net box office, whichever is greater. Metered electricity.

### **Not for Profit Rate**

Companies that may be operating in a commercial environment but can prove a focus on the delivery of artistic and social goals to Oamaru. eg CNZ touring productions of The Court or Fortune where the principal goal is artistic and audience development. Local societies and clubs that retain profits of their operations for their own use but involve voluntary labour and community involvement. eg Union meetings, public consultation meetings hosted by private or public companies and government departments. School hires. Maximum ticket price \$40 Ave. Applications for underwriting available for performances that deliver targeted art forms to the community.

8hrs per day technical staff, FOH staff including fire warden provided for performance.

Base Fee or 10% off net box office, whichever is greater. Metered electricity.

### **Community Rate**

For companies that are fundraising for charity where all proceeds go to charity. Events where there is a perceived public good in the holding of the event. eg community public meetings hosted by the public or charitable trusts. Applications for underwriting some venue costs available.

4hrs technical staff. FOH staff including fire warden provided for performance.

Base fee only.

### **Co- Producing new or significant works to develop audiences and artists (via application only)**

The Oamaru Opera House is committed to audience development and delivering a diverse range of art forms and events to the Waitaki District. In light of this the Oamaru Opera House is able to provide varying levels of support to targeted events that meet the strategic needs of the Opera House. Support varies from underwriting venue costs, administration and marketing support and artist in residence programs. Each co- produced event is negotiated on artistic

merits and benefits to Waitaki on a case by case basis. Interested artists and groups are invited to contact the Oamaru Opera House for more information. Co-producing is only available to Not For Profit and community groups as defined by the Oamaru Opera House.

### **In house Charging**

#### Merchandising/ programs

10% of gross take- recorded after each event/ performance and settled at end of season.

#### Extra Oamaru Opera House Staff

*All rates are exclusive of G.S.T.*

House Technicians                      \$35 hr

Fire Warden/ F.O.H. Manager    \$35hr
